# Profile

Two Oceans Marine Manufacturing is a world-class marine manufacturer based in Cape Town, South Africa. Founded in 1989, Two Oceans Marine is a leading global custom catamaran manufacturer. The company specialises in custom power and sailing catamarans from 23 to 110 foot and bigger and has 9 500 square meters of covered factory floor space at the Cape Town harbour. Two Oceans Marine manufactures custom cruising, performance sailing, day charter, sport fishing and commercial catamarans.

With over 31 years' experience in quality boat building, the staff at Two Oceans Marine are highly skilled. They are actively involved in all sailing and boating activities and have a wealth of knowledge and experience. Extensive testing is performed on all new production boats. Completed vessels are launched and sea trialed within a short distance of the factory, saving time and expense. Two Oceans Marine's vessels are designed by world-class naval architects to be comfortable and ergonomically friendly in every way. Boat layout and interior design is customised to the customers' needs

# Luxury Sailing Catamarans

Two Oceans Marine Manufacturing is a premier manufacturer of custom-designed and manufactured luxury sailing catamarans. Designed and built to cruise the world and customised to suit the owners' needs, these catamarans are expertly built with flawless finishing.

# Unsurpassed Interiors

Two Oceans Marine Manufacturing's boats are designed by world-class naval architects to be comfortable and ergonomically friendly in every way. Interior design specialists work with the customer to create the perfect layout and design, customised completely to the customers's taste and requirements. Our custom catamarans have beautiful lines and easy-flowing interiors with all the modern appliances one could need, making them comfortable and luxurious on-the-water homes.

# Performance Sailing Catamarans

Two Oceans Marine Manufacturing is one of a handful of large custom catamaran manufacturers in the world. The company is renowned for being premier manufacturers of safe, seaworthy and robust catamarans capable of withstanding the toughest of ocean conditions. In addition to customised cruising catamarans, the company also specialises in performance sailing catamarans – on-the-water comfort combined with sailing performance and speed.

Recent performance sailing catamarans launches by Two Oceans Marine Manufacturing include the Two Oceans 82 High Performance Catamaran, the Two Oceans 740 Performance Cruising Catamaran and the Two Oceans 60 Full Carbon High Performance Sailing Catamaran.

# Day Charter Catamarans

Day Charter Catamarans are also part of the range of custom designed and built vessels Two Oceans Marine Manufacturing is renowned for.

The Day Charter Catamaran Range includes sailing and power day charter catamarans. These vessels are customised for luxurious and comfortable day charters.

Recent sailing day charter launches from Two Oceans Marine Manufacturing include the Two Oceans 690 and 700 Charter Sailing Catamarans. On the power side, In 2019, Two Oceans Marine launched the largest composite catamaran ever launched in South Africa: the Two Oceans 110 Day Charter Sailing Catamaran. This vessel is capable of hosting large functions and events and can carry up to 275 people on an upper and lower level, complete with a dance floor.

# Power Catamarans

Luxury customised power catamarans are the vessel of choice for exploring bays and islands or chasing perfect fishing, diving, kite surfing or surfing spots without needing wind and without the stress of having to put up sails.

The Power Catamaran Range from Two Oceans Marine Manufacturing has been globally successful and recent launches includes the Two Oceans 750, 800 and 850 Luxury Expedition Catamarans. Currently in production is the Two Oceans 55 Power Catamaran and the Two Oceans 870 Power Catamaran.

They are robust yet luxurious, comfortable and functional for living aboard. Powerful and fuel-efficient engines provide the capability to motor long distances across oceans.

# Sport Fishing, Leisure and Commercial Vessels

Two Oceans Marine Manufacturing spearheaded the introduction of power catamarans to the Cape Town market. Today, the local tuna fishing fleet consists almost exclusively of power catamarans. The Magnum Power Catamaran Range from Two Oceans Marine has many custom leisure and commercial applications. Built to withstand the rough seas in Cape Town, the Magnum Range is stable, robust, comfortable, functional – and highly customisable.
