PERFORMANCE & CAPABILITY

The Two Oceans 870 Power Catamaran is engineered for extended cruising and delivers stability, efficiency and confidence offshore. With a generous fuel capacity of 11,400 litres, this vessel is ready to traverse vast oceans, granting the owner freedom to explore countless destinations worldwide.

LIVING SPACES

The Two Oceans 870 Power Catamaran is a nautical masterpiece that seamlessly blends opulence with intelligent functionality.

This 87-foot luxury custom power catamaran delivers an extraordinary on-water experience, defined by exceptional space, comfort, and sophistication. A true masterclass in functional luxury, its four-tier layout strikes a refined balance between privacy and sociability, creating an environment that feels both expansive and effortlessly livable.

MAIN AFT DECK

Outdoor spaces are central to the design, with forward and aft cockpits providing sheltered areas to dine, socialise or unwind in comfort.

The main deck forms the heart of onboard living, with generous interior volumes flowing seamlessly to exterior cockpit spaces through expansive glazing and wide sliding doors.

SALOON & GALLEY

A spacious saloon, dining area and fully equipped galley create an inviting setting for relaxed relaxed living and effortless entertaining, whether hosting guests or enjoying quiet family time.

SALOON & GALLEY

FLYBRIDGE

The flybridge – the vessel's highest vantage point – offers elevated lounging, a bar and panoramic views, making it ideal for sundowners, cruising and long, unhurried days at sea.

ACCOMMODATION

Every level is thoughtfully designed to balance social living with private retreat – a versatile, elegant floating home for owners, family, and guests alike.

Guest accommodation is thoughtfully arranged across both hulls while crew quarters, accommodating two per hull, are discreetly located on the main deck, ensuring smooth operations without intruding on guest comfort.

OWNER'S SUITE

The upper deck is entirely dedicated to the owner, unveiling a private suite with panoramic views – a personal retreat with walk-in closets, a coffee station and access to a secluded aft cockpit and private outdoor lounge.

The en-suite elevates the experience further, featuring a deep soaking bathtub, a separate shower, his and hers basins, and a discreet pop-up TV that rises effortlessly at the touch of a button.

EN-SUITE GUEST STATEROOMS

The four additional en-suite staterooms offer exceptional comfort and privacy, each thoughtfully designed to welcome natural light throughout.

Every guest cabin is appointed with a discreet pop-up TV, generous heads, and spacious shower areas – ensuring the same level of comfort extends to every guest on board.

WATER TOYS & TENDER

The Two Oceans 870 Power Catamaran elevates life on the water with a carefully considered tender and water-sports configuration.

Aft, the tender is securely housed and handled via a hydraulic crane and davit system, while the expansive foredeck transforms into an aquatic playground, accommodating jet skis and additional water toys.

The result is a seamless blend of luxury, versatility, and true freedom for adventure at sea.
